

The District Tap Northside  
3720 E. 82<sup>nd</sup> Street  
Indianapolis, IN 46240

The District Tap Downtown  
141 S. Meridian Street  
Indianapolis, IN 46225

The District Tap remains committed to maintaining the health and safety of our guests and employees during the state re-opening phases to get Indiana Back on Track.

Beginning May 22, 2020, we will open in accordance with the Mayor's regulations of allowing outdoor seating only, extending our patio with an outdoor tent. During this phase of the reopening plan, mandatory procedures will be put in place. Those procedures are, but not limited to:

**Adequate Table Spacing:** Tables on the patio and in the tent will be spaced at least six foot apart to adhere to social distancing guidelines.

**Limited Party Sizes:** Party sizes will be limited to six or less.

**Daily Employee Health Screenings:** Daily temperature checks for all scheduled employees before a scheduled shift.

**Required PPE:** All employees are required to wear a mask and gloves for the duration of their shift. Hair that touches below the shoulder will be required to be pulled back out.

**Increased Sanitation:** Menus, tables, chairs, condiments, door handles, common surfaces, etc. to be sanitized after each party, and frequently throughout the shift.

**Minimal Guests Inside:** The number of guests will be limited to ten (10) inside the foyer at a time. Guests will be given a pager and will be asked to wait outside until their table is ready.

While TDT adheres to strict sanitation policies normally, we are committed to following all policies and guidelines in accordance with the re-opening phases. If an employee is feeling sick in even the slightest way, they will be asked to stay home and only return to work when symptoms subside.

In the unfortunate event that an employee would show symptoms of COVID-19 or be tested positive, TDT will follow the guidelines for isolation and return to work under the "For Persons with COVID-19 Under Isolation" on the CDC website. Those guidelines can be found at the following website under the FAQ links.

<https://www.cdc.gov/coronavirus/2019-ncov/community/general-business-faq.html>

TDT will continue to monitor the Back on Track Indiana reopening policies and update this document accordingly.
